YMCA JUNIOR LEADERSHIP DAYTON

A Leadership Development Program for High School Juniors

THE PROGRAM

Junior Leadership Dayton (JLD) is a hands-on leadership program for high school juniors from all public, parochial and private schools throughout the Miami Valley.

The program consists of seven full-day sessions held one day per month from September through April, as well as an orientation, one retreat, and a graduation in April.

Each session offers students the opportunity to work with adult leaders in their community focusing on leadership skills, citizenship/government, media/communications, community issues, community service and diversity.

Students also get to work on a team to develop a service-learning project. JLD students who receive a "Pass" grade for MGT 1010 and apply to WSU as a degree seeking student within 2 years of graduating high school will receive a \$500 scholarship for the 1st semester. They will also receive 3 credit hours for MGT 1010.

PROGRAM OBJECTIVES

- To engage youth in the development of their own potential and leadership skills.
- Provide opportunities for a diverse group of students to interact with each other and with community leaders and decision-makers.
- Expand youth's knowledge of our community's needs, opportunities, challenges and resources and so foster youths' interest in philanthropy and volunteer community service.
- To increase the quality and quantity of men and women capable of accepting leadership roles in various community organizations.
