## OUR PROGRAM

YMCA Early Learning Programs are available for Infants, Toddlers and Preschool children. Care is provided at Grace United Methodist Church, conveniently located on the corner of Harvard Blvd and Salem Avenue.

This is a structured program offered from 6:30am to 6:00pm, Monday through Friday. Breakfast, lunch, and snacks are provided.

## WHAT WE DO

YMCA Early Learning programs make sure that children learn the skills needed to be successful in school. With a focus on kindergarten readiness, we can help make your child's transition to school a much smoother one. YMCA Early Learning programs help children grow physically and mentally, while emphasizing and modeling the character development values of Caring, Honesty, Respect and Responsibility.

## CURRICULUM

The Y Early Learning program is designed to support the most critical needs of a child's education by focusing on math and reading skills.

Our curriculum includes the Creative Curriculum, which is designed for your child's success by helping to increase a child's motivation to read and develop math skills. It also works to improve social skills that fit in well with the YMCA's core values of Caring, Honesty, Respect, and Responsibility.

**We provide a safe, educational and fun experience for your child!**

## LICENSED CHILD CARE

Y child care is licensed by the Ohio Department of Job and Family Services. Our early learning centers have been awarded, or are in the process of being awarded, Step Up to Quality recognition which is a voluntary rating system recognizing care programs that exceed Ohio's licensing standards.
