All contributions are administered by the YMCA of Greater Dayton, a 501(c)(3) not-for-profit organization.
All contributions are tax-deductible to the extent allowed by law and are acknowledged in writing.

The Y is now...as it has always been...a place of possibility and promise for all. In times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

We can't do it alone.
TRANSFORM WITH US.

Annual Campaign
CHILD CARE SERVICES
2019 Goal: \$27,000

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

TRANSFORMING LIVES

34,000

"I recently retained emergency custody of my daughter due to her mother's overdose of heroin. I had seen signs of her use, but was never able to prove anything and our relationship suffered from the lying, stealing, and cheating involved with her addiction. **The Annual Campaign scholarship has allowed me not only to be able to afford child care—but has made it possible for me to provide and support my family during a time of need.** I feel that in attending YMCA Child Care, my daughter will benefit immensely and develop her social and learning skills in a healthy environment while giving her a more structured life. **Thank you so much Annual Campaign Donors for your support. I am so grateful for your generosity!**"

Donate for a better us.

We have an extraordinary opportunity to ensure a brighter future for the Miami Valley, but we need your help. Your gift to the YMCA of Greater Dayton will have a lasting impact in the community by helping us to reach more people through life-changing programs and services. **Thank you for making your pledge before March 31, 2019.**
