All contributions are administered by the YMCA of Greater Dayton, a 501(c)(3) not-for-profit organization.
All contributions are tax-deductible to the extent allowed by law and are acknowledged in writing.

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

We can't do it alone.
TRANSFORM WITH US.

Annual Campaign
PREBLE COUNTY YMCA
2019 Goal: \$99,000

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

34,000
people were provided with scholarship assistance.

\$2.7 million
was given to families in need.

2,200
kids were provided Child Care through the Annual Campaign.

TRANSFORMING LIVES

"As the new principal of Hollingsworth East Elementary, I was pleased to learn the second grade students would be taking part in the Learn to Swim program provided through the Preble County YMCA, at absolutely no cost to our school. Students receive differentiated instruction based on their abilities and comfort level around the water. The Learn to Swim program builds confidence, teaches safety, and provides an exercise experience students will be able to utilize for life. The instructors do an amazing job providing 'top notch' instruction to our kids. **The Y's commitment to our students and our school is second to none. Our students are blessed to have this experience.**"
