

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

We can't do it alone.

# TRANSFORM WITH US

The Y is the leading non-profit committed to strengthening community by connecting all people to their potential, purpose, and each other.

Annual Campaign  
**FAIRBORN YMCA**  
2020 Goal: \$38,000

## YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

## HEALTHY LIVING

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

## SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

## TRANSFORMING LIVES

"My grandson has learning disabilities and has struggled to make friends or socialize with kids his age. **The scholarship assistance provided to us has opened up doors for my grandson.** Every summer, he gets to be around kids in Summer Day Camp, embark on new adventures with friends, and eat healthy meals every day. If it wasn't for the Y, Austin would be by himself with no one to talk to. **Your donations have made a difference in the life of this child, and we can't thank you enough!**"

\*Names have been changed to protect privacy.

**24,000**

**\$2.5 million**
