

The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of "us" is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That's why the Y passionately focuses on strengthening communities.

Every day, the Y supports kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. Everything we do helps empower communities and the "us" who live in them to thrive.

We can't do it alone.

# TRANSFORM WITH US

The Y is the leading non-profit committed to strengthening community by connecting all people to their potential, purpose, and each other.

## Annual Campaign TEEN SERVICES

2020 Goal: \$40,000

### YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

### HEALTHY LIVING

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

### SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

## TRANSFORMING LIVES

**"Before coming to the YMCA Teen Camp on scholarship, Joshua was very shy and standoffish.** After about a week or two of attending camp, he came out of his shell and met some wonderful friends. The camp also took him on field trips to places he had never been before. Not one day was the same and redundant. **The YMCA Teen Camp made my son feel like he mattered.** They helped him with his communication skills, built his confidence, taught him about the importance of giving back, and gave him a better outlook on being a teen."
