YMCA Day Camp at the Preble County YMCA  
#BestSummerEver
Register at the Preble YMCA!

In a busy world filled with technology, YMCA programs place a heavy emphasis on making friends and building meaningful skills. As part of the YMCA philosophy, children will learn the values of caring, honesty, respect, and responsibility on an age-appropriate level and how each value impacts their lives, and how they can positively impact others. Summer day camp is also a time when children experience a variety of fun, outdoor progressive age-appropriate activities with trained YMCA staff giving children a well-rounded experience for an unforgettable summer. Children explore the outdoors, spend time with friends, play games and splash in the pool. Field trips are also included in the YMCA summer day camp program.

(5-6 YEAR OLDS) DISCOVERY GROUP–CARING

Our camp focuses on building children’s empathy and resilience in a secure and safe summer setting. The YMCA caters to the needs of children’s social, emotional, and developmental stages teaching children to work together in groups and enjoy the individual learning of discovering nature and the new summer activities. Children thrive by playing in group games, singing songs, constructing crafts, performing in skills, and learning basic safety skills. MUST HAVE COMPLETED KINDERGARTEN.

(7-8 YEAR OLDS) ADVENTURE GROUP–HONESTY

As campers advance in our day camp program with developmentally appropriate activities and field trips, the program is designed to meet their social and developmental needs by focusing on relationship–building in the adventure group. Without the distraction of electronic devices, children in YMCA summer day camp have the opportunity to socially connect to other children in a positive, safe, and secure environment to cultivate long lasting bonds, and develop lifetime friendships.

(9-10 YEAR OLDS) EXPLORER GROUP–RESPECT

In the explorer group, children will enjoy making new friends in an energetic atmosphere. Children are beginning to learn about their community around them and the impact they can have on others and how they can make a difference. Explorer camp also allows for opportunities to stimulate the development of each camper’s self-esteem. Explorers will be able to participate in games and travel on field trips and even demonstrate their talents in a talent show.

(11-12 YEAR OLDS) VOYAGERS GROUP–RESPONSIBILITY

Our Voyager program enables tweens to practice being themselves, make friends, and is catered to their evolving interests. Developmentally, our tweens work towards independence, learn leadership and provide input for group activities. This program is a progressive step out of traditional day camp with the tween group taking additional field trips each week encompassing all 4 of the core values of the YMCA of caring, honesty, respect, and responsibility in everyday situations and with service learning projects preparing them for the YMCA Teens in Action Mentors Matter Program.

YOUR KIDS WILL BE SAFE, MAKE NEW FRIENDS, LEARN NEW SKILLS AND MOST OF ALL, HAVE FUN!
