Corporate Membership at the YMCA of Greater Dayton

DAYTONYMCA.ORG

At the YMCA of Greater Dayton, we believe a healthier workforce can help manage your healthcare costs, improve productivity, and reduce work place stress.

HOW DOES A CORPORATE MEMBERSHIP BENEFIT THE EMPLOYER?

As a leader in your company, you know that a healthy, happy, and productive workforce is key to your success. Through Corporate Membership at the YMCA of Greater Dayton, employees can get fit, stay fit, and save money – all while helping your company improve its fiscal fitness. All members are city-wide members with access to all YMCA's associated with the YMCA of Greater Dayton which includes locations in Montgomery, Preble, Greene, and Warren counties. With new YMCA Nationwide agreement, your employees can also use any participating nationwide YMCA. In addition to employee membership benefits, the employer will have access to the YMCA for special events, wellness programs, fitness testing, and much more!

WHAT COMMITMENT DOES AN EMPLOYER HAVE TO MAKE?

The YMCA asks just a small commitment from you, the employer. Offer your employees all the information about the benefits of a YMCA membership. Employees who join through the Corporate Membership Program will receive a special discount to join the YMCA. For Corporate Plan A, partners offer payroll deduction as an easy and convenient payment option.
