YMCA ANNUAL CAMPAIGN 2024

# BE A FORCE FOR GOOD

## YOUR GENEROUS DONATION EMPOWERS POSITIVE CHANGE AND HOPE:

"My family and I became homeless in August of 2023. I was informed that my children could attend the before school program through the YMCA so my children did not have to wait outside in the elements or be stuck sitting in the school office before school started. My children feel much better and it helps to provide more stability and familiarity, lessening the impact of this trauma. To those who contributed financially to help make this all possible, thank you and God bless you."

### Annual Campaign CHILD CARE SERVICES

In 2024, it is our goal to raise: **\$50,000**

## WHAT WE STAND FOR:

### YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

### HEALTHY LIVING

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

### SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

## IN 2023, THE Y HELPED:

provide **15,000+** people with **scholarship assistance**.

give **\$1.2 million** to **families in need**.

provide **700+** kids with **FREE water safety classes** during Safety Around Water Week.
