**At the YMCA of Greater Dayton, we believe a healthier work force can help manage your healthcare costs, improve productivity, and reduce work place stress.**

### How Does A Corporate Membership Benefit the Employer?

As a leader in your company, you know that a healthy, happy and productive workforce is key to your success. Through Corporate Membership at the YMCA of Greater Dayton, employees can get fit, stay fit and save money - **all while helping your company improve its fiscal fitness.** All members are city-wide members with access to all YMCAs associated with the YMCA of Greater Dayton which includes locations in Montgomery, Preble, Green and Warren counties. With the new YMCA Ohio reciprocal agreement, your employees can also use any YMCA in the state of Ohio. In addition to employee membership benefits, the employer will have access to the YMCA for special events, wellness programs, fitness testing and much more!

### What Commitment Does An Employer Have To Make?

The YMCA asks just a small commitment from you, the employer. Offer your employees the information about the benefits of a YMCA membership. Employees who join through the corporate membership program will receive a special discount to join the YMCA. Additionally, as a corporate partner, the Y will also 'spotlight' your company in our monthly newsletter that is sent to all members as well as posted on our Facebook page and our website, [www.YMCAonline.org](http://www.YMCAonline.org).

### YMCA Membership Match Option

This new corporate option will encourage healthy living within your company, improving morale, attendance and productivity! With the YMCA Membership Match Program, we will partner with you to provide reduced membership fees to your employees. Your company commits to a dollar amount per employee that you are willing to provide towards their annual YMCA membership costs, and we will match the subsidy annually up to \$100 per family membership, and up to \$50 per single membership!

We could work together to save your employees \$200 on a family membership each year!

### What's In It For the Employee?

- No joiner's fee!
- No contract!
- Reduced corporate rates—the lowest rates guaranteed!
- Employees can make payments on their own through automatic bank drafts or credit card withdrawals. They can also receive corporate discount rates with Pay Roll Deduction.
- Allows companies to encourage and support employee participation in health and wellness programs.
- Offers reduced rates on other YMCA programs including child care, summer day camp, sports, swim lessons and more.
